

# JUNIOR LEAGUE OF RHODE ISLAND

## **Polly Talbott, President-Elect**

Polly Talbott has been a member of the Junior League of Rhode Island, Inc. since 2004, joining the JLRI not long after she moved to Rhode Island. Polly is currently the President-Elect and the Co-Chair of the Centennial Campaign. Polly has served on almost every committee in the JLRI and has held Board positions as well. A knitter, reader, and avid cook, Polly joined the JLRI to leverage her volunteering hours and has made lifelong friendships in the process. Polly has also held Board and Committee positions with other organizations in New England and happily takes what she learned in the JLRI and applies it to those roles. Polly says that the JLRI is the reason she considered RI home now, the relationships and friendships with the women of the League have made RI a welcoming place.
