Dear Friend,

The Junior League of Rhode Island, Inc. (JLRI) in proud partnership with the Pizzuti Open will hold the 25th Annual and *last* Pizzuti Open Golf Tournament on Friday July 28<sup>th</sup> at the Pawtucket Country Club.

It promises to be a fun day of golf in support of the American Cancer Society and the community efforts of The Junior League of Rhode Island. Each organization will share in the proceeds of the day's events.

We hope that you will consider participating in our event by serving as:

Proceeds from the event will directly benefit the ACS and the JLRI's extraordinary service programs and mission. JLRI members devote more than **6000 volunteer hours each year** to our community initiatives. Currently, our focus area is on **impacting and empowering the lives of young adults aging out of the Foster Care System.**

Over the past 95 years, JLRI members have contributed more than **1 million hours of volunteer service** and over **1.5 million in fundraising dollars**. These volunteer hours and dollars have a combined present day value of **\$25 million in direct services to women and children in difficult circumstances.**

and our dedication to building better communities!**

**IN PROUD PARTNERSHIP WITH  
THE 25<sup>TH</sup> PIZZUTI OPEN**

The Pizzuti Open started 25 years ago as a casual family and friends golf outing in support of the American Cancer Society (ACS). After three years, more, and more people joined the fun and the commitment to ACS, and the group reached the maximum size of a golf scramble (144 people).

The Pizzuti Open has now raised over \$125,000 for ACS and in the last five years, over \$25,000 for The Junior League of Rhode Island, Inc. (JLRI).

The Junior League is the only non-profit organization with a mission to train women in voluntarism by developing their potential as strong community and civic leaders.

By investing in women’s leadership abilities to implement change and impact communities since 1921, The JLRI has continually assessed and met the changing needs of the community through the effective action and leadership of its trained volunteers.
