Dear Friend,

The Junior League of Rhode Island, Inc. (JLRI) will hold its 6th Annual Winter Sparkle tasting event on February 9, 2018 at the Roger Williams Casino in Providence. It promises to be a great evening featuring food and beverage tastings from many of Rhode Island's premier restaurants, caterers, winemakers, and spirit distributors. This signature event is our highest profile fundraiser of the year. We hope that you will consider participating in our event by serving as a sponsor, placing an advertisement in the event program, and/or donating an auction item.

Founded in 1921, the JLRI is an organization of women committed to promoting voluntarism, developing the potential of women, and improving communities through the effective action and leadership of trained volunteers. Our purpose is exclusively educational and charitable. The JLRI has been a volunteer powerhouse in the State of Rhode Island and southeastern Massachusetts since 1921. The JLRI is a proven training ground for women to become community and civic leaders—learning how to effectively manage a nonprofit organization, fundraise and develop meaningful community service programs. Over the past 96 years, more than 250 nonprofit organizations have benefited from collaboration with The JLRI. JLRI members have contributed more than 1 million hours of volunteer service and over 1.5 million in fundraising dollars. These volunteer hours and dollars have a combined present day value of \$25 million in direct services to women and children in difficult circumstances

Through your participation in Winter Sparkle, you simultaneously demonstrate your commitment to the Rhode Island community and expose your brand to a multitude of new consumers. Proceeds from the event will directly benefit the JLRI's extraordinary service programs and mission. Our members devote more than 6000 volunteer hours each year to our community initiatives, which currently focus on impacting and empowering the lives of young adults aging out of the Foster Care System. With your help, the JLRI can continue to support this much needed effort.

Benefits to supporting the JLRI through this event include: (1) corporate name recognition on the JLRI website and on JLRI communications to members; (2) recognition on the event signage; and (3) recognition in social media outlets including Facebook and Twitter. By getting involved, you will gain exposure to the JLRI community.

We hope that you will consider a partnership with us at any level. Benefits and forms for sponsorship, advertising and auction item donations are enclosed. We also hope you will attend Winter Sparkle as our esteemed guest.

Should you have any questions or require more information, please contact the Fundraising Committee.

ABOUT THE JUNIOR LEAGUE OF RHODE ISLAND, INC.

Mission

The Junior League of Rhode Island, Inc. (JLRI) is an organization of women committed to promoting voluntarism, developing the potential of women, and improving communities throughout the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable.

Membership

JLRI has nearly 200 members. Our diverse group of women is committed to making a difference in the communities where we work and live throughout Rhode Island and southeastern Massachusetts. We have membership and volunteer service requirements and pay annual dues.

Our Investment in the Community

The Junior League is the only non-profit organization with a mission to train women in voluntarism by developing their potential as strong community and civic leaders. By investing in women's leadership abilities to implement change and impact communities since 1921, the JLRI has continually assessed and met the changing needs of the community through the effective action and leadership of its trained volunteers.

JLRI recognizes foster youth aging out of the foster care system face distinct challenges and seeks to positively affect their intellectual, economic, social, mental, physical and emotional well-being. The League will support efforts to ensure that these individuals have services and opportunities for educational attainment, employment, health care, housing and financial stability. Additionally, the JLRI is committed to advocating for the welfare of all foster children and to educating its membership and greater community on this broader issue.

This year JLRI has several community projects, listed below. These projects integrate the philosophy and the spirit of the JLRI mission by empowering the lives of young adults aging out of the foster care system through direct assistance and by providing mentoring and training in the life skills necessary to bring out their best.

2017-2018 Community Projects

Home Makeovers
Skills Mentoring and Workshops
Dinner and Activity Nights with St. Mary's Home for Children
Holiday Food Baskets

In addition to the programs above where we work directly with youth aging out of the foster care system, we also collaborate with other area nonprofits, including: American Cancer Society, Amos House Mother Child Reunification Project, Amos House Soup Kitchen, Autism Project, Crossroads Rhode Island, Foster Forward, and Ronald McDonald House to provide support to communities in Rhode Island and southeastern Massachusetts.

FOOD & BEVERAGE TASTING PARTICIPANT

Winter Sparkle is a fantastic opportunity to showcase your business as one of Rhode Island's premier restaurants or caterer. This signature JLRI fundraiser is a five hour (7:00 p.m.-11:00 p.m.) tasting event that is open to the general public. Each participating vendor is requested to present a food item(s) for sampling by the 250 expected guests. Participating vendors are welcome to bring advertising materials for display and distribution.

We hope that you will consider participating in the 6th Annual Winter Sparkle by joining us as one of our premier Food & Beverage Tasting Participants.

We thank you in advance for your generous support.
